

PRESENTING TWO EXCLUSIVE
SPRINGTIME INNOVATIONS IN

Glen-Tex VEILS & VEILINGS

"LA BRUXELLES"—illustrated at the left—a veiling of Parisian inspiration, draped here in the fascinating Parisian way. Hexagon mesh, bordered with fine Brussels net. Developed in nine of the season's prevailing colours.

"FILATONE"—illustrated at the right—a Filat-mesh veiling, patterned with little squares in a contrasting colour. Blue Bird or Henna squares on Black, Brown, Navy or Taupe; Sand, Red or Royal Blue on Brown; or self colours. Demure. Irresistibly becoming!

Glen-Tex originations anticipate, always, tomorrow's most alluring caprices in veilings-by-the-yard and in finished veils for Dress, Street, Sport. The advance creations for Spring and Summer are now obtainable in smarter shops everywhere.
